Dear Mr. Oswald:

This is just a very brief note to express my thanks for the talk you gave us on Russia Saturday, July 27th. I feel that I came away from your talk with an understanding of the Russian people as a people, with ideals, goals, problems--normal, everyday human beings, something that is quite easy to forget with all the threats of war hanging in the air. I find your talk has helped to make me a broader and deeper person, more universal and sympathetic in my thinking. I hope in the future both America and Russia can draw closer to one another and thereby increase in friendship and understanding.

I also wish to tell you that I greatly admire you search for truth and your living in Russia, and I hope you have or will find it.

You can be assured of a permanent remembrance in my prayers and sacrifices, you, your wife, and your family.

With sincere gratitude,

Paul Piazza

Dear Lee and Lorenzo:

Here at the House of Studies during the summer months we have a series of lectures on various subjects given by different persons from the neighboring areas. These subjects usually deal with art, literature, economics, religion, politics, etc. We usually have a speaker every one or two weeks on a Saturday or Sunday night. Since we are studying philosophy, most of us are interested in the various phases of Communism, as this is a very timely and practical subject.

We were hoping that you might come over to talk to us about contemporary Russia and the practice of Communism there. A number of speakers have already been contacted and have definite dates on which they will speak. The best time for us to have you speak, if you are willing, is on Saturday night, July 27. The talk usually begins at 7:00 and lasts for about an hour. Then there is a five minute demonstration and the speaker returns for a question period which may last a half-hour or so. Then I say that we would like to have you speak on contemporary Russia and the practice of Communism there, this is only a general idea of mine. Of course we want you to choose whatever topic you like concerning your travels in Russia and to present the talk and its material in whatever way you like. It can be as informal as you like and a narration of your own observations. In other words, don't feel that it ought to be very formal and theoretical. Also, when I say that the talks usually last for an hour, I don't mean that it has to be that long. This is rather by way of a time limit. You may use whatever notes you may wish to prepare. In short, do it the way you feel you want to do it and be assured that we want you to feel at home in talking to us.

We have about 90 men who are studying philosophy in the House. Usually about 25 or so will attend these talks. We hope that you will accept our invitation and I think you will find it a good experience, as I'm sure we will too. Most of us are about your age.

I wrote my family today telling them that I planned to invite you for this occasion. They had already told me on their last visit that they hoped to invite you to come over with them when they come here sometime. I asked them if they wouldn't mind arranging to make a visit here for the same occasion so that you could come together. I told them that I would ask you to call them to make plans about this or else for them to call you. Of course we hope Lorenzo will come too. You can let me know what you think about the matter and ask any further questions you may want to know about the situation. Drop me a line when you get a chance.

Sincerely,

John

TO WHOM IT MAY CONCERN:

this is to certify that Mr. Lee Harvey Oswald
has a good knowledge of the Russian language. He
acquired this knowledge during his three-year resi-
dence in the Soviet Union. In my opinion, he is
capable of being an interpreter and perhaps a trans-
lator.
